Stitch Legend

r – row

st(s) – stitch(es)

sp(s) – space(es)

ch(s) – chain(s)

sl st – slip stitch

sc – single crochet

sc2tog – single crochet 2 stitches together

hdc – half double crochet

Special Stitches

Sc2tog: pull up a loop in the next st (as if you were going to single crochet), pull up a loop in the stitch next to that one (you will have 3 loops on your hook), yarn over hook and pull through all 3 loops on hook.

Cinch Circle: cross yarn to make a loop, pass hook through loop from front to back, hook yarn and bring it back through loop to pull up a loop on your hook, chain 1. This will make, and secure, the circle. Work all successive stitches into circle over top of the shorter tail. When finished the first row of stitches, pull the shorter tail to cinch the circle shut.

Notes

- The number of stitches you should have at the end of each row will appear in parentheses
- Many pieces are worked in the round, do not join rows with a slip stitch – work the first stitch of the next row into the first stitch of the previous row.
- Bob will measure approximately 25 cm (10”) tall, Teddy approximately 10 cm (4”) tall
- When sewing or embroidering, leave a little bit of the thread outside of the Body, sew using the top loops of the sts on the Body and the whole st along the edge of the detail, and then bring your thread back out through the same place that you brought it in, knot the ends together and pull the tails back into the Body.
