3dccl – 3 double crochet cluster

Special Stitches

Cinch Circle - cross yarn to make a loop, pass hook through loop from front to back, hook yarn and bring it back through loop to pull up a loop on your hook, chain 1. This will make, and secure, the circle. Work all successive stitches into circle over top of the shorter tail. When finished the first row of stitches, pull the shorter tail to cinch the circle shut.

2 Double Crochet Cluster - yarn over and pull up a loop in the working st, yarn over and pull through the first 2 loops on hook, yarn over and pull up a loop in the same st, yarn over and pull through first 2 loops on hook. You will have 3 loops on your hook, yarn over and pull through all 3 loops.

3 Double Crochet Cluster – yarn over and pull up a loop in the working st, yarn over and pull through the first 2 loops on hook, (yarn over and pull up a loop in the same st, yarn over and pull through the first 2 loops on hook) 2 more times. You will have four loops on your hook. Yarn over and pull through all 4 loops.
