Special Stitches

Cinch Circle: cross yarn to make a loop, pass hook through loop from front to back, hook yarn and bring it back through loop to pull up a loop on your hook, chain 1. This will make, and secure, the circle. Work all successive stitches into circle over top of the shorter tail. When finished the first row of stitches, pull the shorter tail to cinch the circle shut.

Notes & Pattern Tricks!

- The number of stitches you should have at the end of each row will appear in parentheses
- Pattern is made in the round, do not finish or join rows with a slip stitch, work next row's first stitch directly into the previous row's first stitch
- When told to "even up your stitches" continue to crochet around until your last stitch is in a direct line up from your stitch marker. This will not change your stitch count.
- Instead of fiber stuffing, you can also use beans or scraps of fabric!
- If you want to hang your Raindrops, take a needle, double your thread and sew under the first row a few times to secure your thread.
- You can also use felt to make cute face pieces and sew or hot glue them on ☺
